

PEUGEOT MOTORCYCLES ASSISTANCE

IN THE EVENT OF BREAKDOWN OR A PUNCTURE

- Repair/recovery of your vehicle by the Peugeot Motorcycles network (to your dealership if the breakdown/puncture occurs within a 30km radius of the dealership or, beyond that distance, to the nearest PEUGEOT Motorcycles dealership).
- Continuation of your journey or return to your home (by train, plane or taxi).
- Transport to the workshop to collect your repaired vehicle.
- +33 1 41 85 83 72 (standard rate number, seven days a week, 24 hours a day).

FOR THE PEUGEOT METROPOLIS RANGE

- 3 years of free support

FOR THE REST OF THE PEUGEOT MOTORCYCLES RANGE

- Duration: 2 years
- One fixed price: €79.20 incl. tax

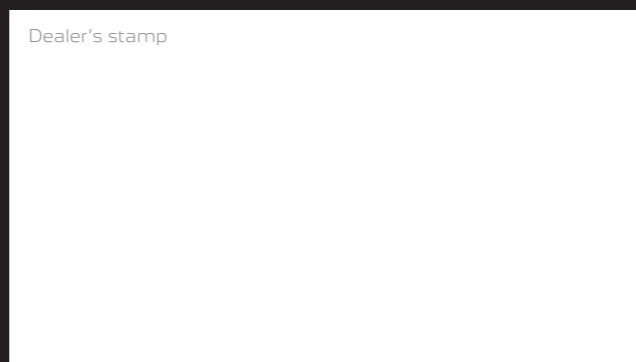

Roadside assistance is guaranteed and provided by Europ Assistance, a limited liability company with capital of €23,601,857, a company governed by the French Insurance Code, registered in the Nanterre trade and companies register under number 451 366 405, with its head office at 1 Promenade de la Bonnette, 92230 Gennevilliers, France, and subject to the supervision of the ACP (French Prudential Control Authority), 61 Rue Taitbout, 75009 Paris, France. To find out more about the services and their restrictions, please refer to the general terms of assistance, which are available from your point of sale.

PEUGEOT MOTORCYCLES RECOMMENDS **MOTUL**

WE GO RANZ

125cc and over

PEUGEOT
MOTORCYCLES

PEUGEOT METROPOLIS

A beast of useful technologies

ACCESSIBLE WITH A
CAR DRIVING LICENCE*

MADE IN FRANCE

3 WHEELS

3 YEARS' WARRANTY**

3 YEARS' ASSISTANCE***

SW

This version, equipped with a new seat and built-in top case (54L**), can accommodate two full-face helmets. An ergonomic passenger backrest and new adjustable gas shock absorbers ensure that your passenger will also enjoy a comfortable ride.

Diamond-cut alloys – USB socket – Ergonomic passenger backrest – Adjustable gas shock absorbers 54L built-in top case*** – ABS + SBC® braking⁽¹⁾ – Adjustable TCS anti-spin⁽²⁾ – i-Connect DRL daytime running lights⁽³⁾ – 5-inch TFT colour display – Anti-tilting – Adjustable high windshield

GT

This sporty-looking version, equipped with an aluminium floor, naked handlebars, a new seat and exclusive decorations, also retains all the benefits of its onboard i-Connect connectivity. And for even greater comfort, we've fitted it with new adjustable gas shock absorbers.

USB socket – Aluminium floor – Naked handlebars – Adjustable gas shock absorbers ABS + SBC® braking⁽¹⁾ – Adjustable TCS anti-spin⁽²⁾ – i-Connect – DRL daytime running lights⁽³⁾ 5-inch colour TFT display – Anti-tilting – Short smoked windshield

ALLURE

Equipped with ABS + SBC® braking⁽¹⁾, the ALLURE version includes i-Connect, allowing you to connect your smartphone to your PEUGEOT Metropolis and to take advantage of numerous features (ability to read messages and receive calls, built-in navigation). It is also equipped with diamond rims.

Diamond-cut alloys – USB socket – Premium rear-view mirror – Adjustable driver's backrest ABS + SBC® braking⁽¹⁾ – TCS adjustable anti-spin⁽²⁾ – i-Connect – DRL daytime running lights⁽³⁾ 5-inch colour TFT display – Anti-tilting – Adjustable high windshield

ACTIVE

Equipped with 13-inch front wheels and ABS + SBC® braking⁽¹⁾, this version is comfortable, safe and powerful. All it lacks is connectivity.

12V socket – Adjustable driver's backrest – ABS + SBC® braking⁽¹⁾ – Adjustable TCS anti-spin⁽²⁾ DRL daytime running lights⁽³⁾ – 5-inch colour TFT display – Anti-tilting – Adjustable high windshield

*Available from 21 years old, with a car driving licence and subsequent seven-hour training course. ** Offer valid for any purchase of a PEUGEOT Metropolis. PEUGEOT Motorcycles guarantees your vehicle for a period of 36 months or 30,000 km from first registration (whichever comes first), unless you are informed of specific provisions to the contrary in the contract. PEUGEOT Motorcycles also offers you three years' assistance (Europ Assistance) up to 30,000km. Find all the information on peugeot-motorcycles.country *** Manufacturer data (1) Synchro Braking Concept: PEUGEOT Motorcycles combined braking, allows the left lever to be used to brake both wheels simultaneously and with the right distribution. (2) Traction Control System. (3) Daytime Running Lights.

FOCUS ON i-Connect TAKE CONTROL

Do you want to explore the city easily and without wasting time? To reconcile your high design standards with your expectations in terms of riding experience? Then choose a connected scooter and enjoy a completely new urban experience aboard Pulsion or PEUGEOT Metropolis.

Compact handlebar

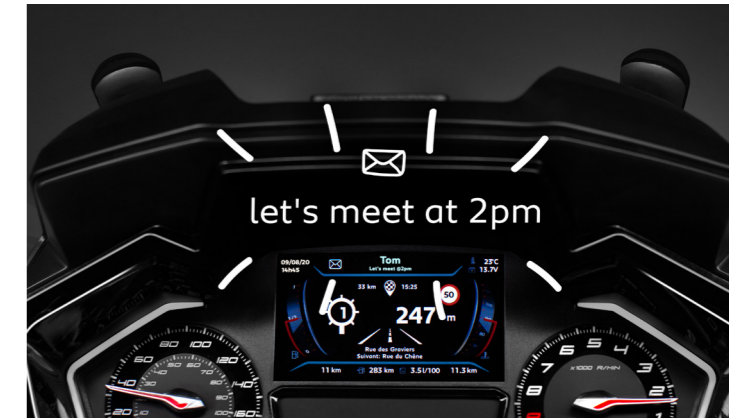

Since the driver's arms are less spread out, their movement range is reduced during manoeuvres, offering greater agility and responsiveness and a more relaxed riding position.

Head-up riding

With the raised dashboard, riders can check driving information without taking their eyes off the road, allowing them to concentrate on where they're going. This ergonomic position further reinforces safety by limiting fatigue.

Mobile application and connectivity

The integrated connectivity* on the Peugeot Metropolis and Pulsion models provides comfort and safety thanks to i-Connect technology and its intelligent dashboard. The colour TFT screen connected to the Peugeot Motorcycles application offers, in particular, a turn-by-turn guidance system and allows you to consult useful information for your journey and SMS or incoming calls without taking your eyes off the road.

*except the Pulsion Active and Peugeot Metropolis Active versions

PULSION*
Reconnect with the city

MADE IN FRANCE

Satin
Titanium

GT*

The sportiness of Pulsion is pushed to its limits on this GT version. With its naked handlebars and anthracite grey with contrasting yellow stickers, choose a scooter ready to conquer the city in style.
